Memories

MemORRies. Yes, memories cherished in the years to come are what the graduating seniors are taking with them, though they may walk the highest paths of knowledge. Memories are what the freshmen are starting to form during their next four years in a high school where halls echo with remembrance already deeply embedded.

Our annual this year is just a small sample of our impressions which are loved and remembered over the long years that follow graduation.

Here are our school days — dreamed of by the younger set, and dreamed of by the graduates of each succeeding year — MemORRies.

DEDICATION

Preparations Before Curtain Opens

Breakfast Is a Must in Spite of Contest

We, the staff of the 1957 edition of MemORRies, present this year's annual in honor of Miss Dorothy Neff, in recognition of the wonderful work she has done to build character, confidence and personality in the lives of the students of O. H. S. through her classes, speech coaching, and play direction.

Miss Neff, truly a "coach of victors," has helped give to Orrville High School not only a large number of championships in local, district and state speech contests, but has also sent her students on to national honors.

So to you, Miss Neff, with a very sincere and proud appreciation, we graciously present our dedication.

Board of Education

The Board of Education has as its big project for the year '56-'57, the excavating of the land behind the high school building which is to some day be our football field. There will also be a practice field for band and athletic purposes.

The Board is developing additional parking facilities. They have fixed a new scale for teachers and school personnel, and have also authorized a school survey to determine educational facilities and buildings during the next five years.

But the Board of Education is not only established for the high school, but for the whole school system of Orrville.

In the Junior High School building, the Board will provide for modernization of floors, additional seating equipment for students as well as equipment for the commercial science and home economics areas.

Dr. R. E. C. McDougall

For the past twenty-one years the Orrville school system has had as its administrator Dr. R. E. C. McDougall. Many fine things have been instituted during this time which have made the Orrville schools some of the most outstanding in this area. The students of Orrville are eternally grateful to him for all he has done.

Mr. Robert Q. Norris

In his second year as principal, Mr. Robert Q. Norris has proved himself to be most capable in fulfilling his duties. His willingness to help any student with a problem and to offer constructive advice will not be forgotten by the students of the school.

Through these efforts he is respected by the faculty and students alike.

Secretaries

Through the efforts of Mrs. Shirley Higgins, secretary to Dr. McDougall, and Miss Donna Conley, secretary to Mr. Norris, the office of Orrville High has again been efficiently managed.

MRS. MARTHA BAER

Our commercial department would not be complete without Mrs. Baer, who fills the position of typing and shorthand teacher. In addition to the job as teacher, she also assumes the task of being faculty advisor for the Student Council.

MRS. LETTIE BOGGS

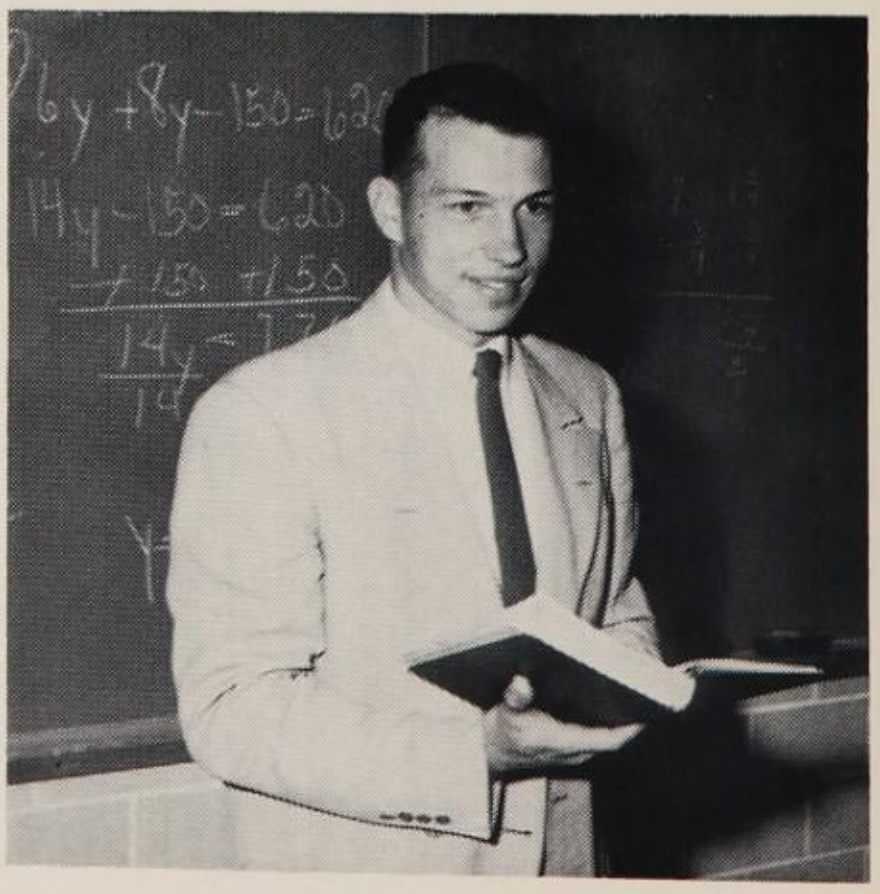
Another new teacher added to the faculty this year was Mrs. Boggs. She very capably proved herself to be just the person to manage the cafeteria and efficiently teach home economics.

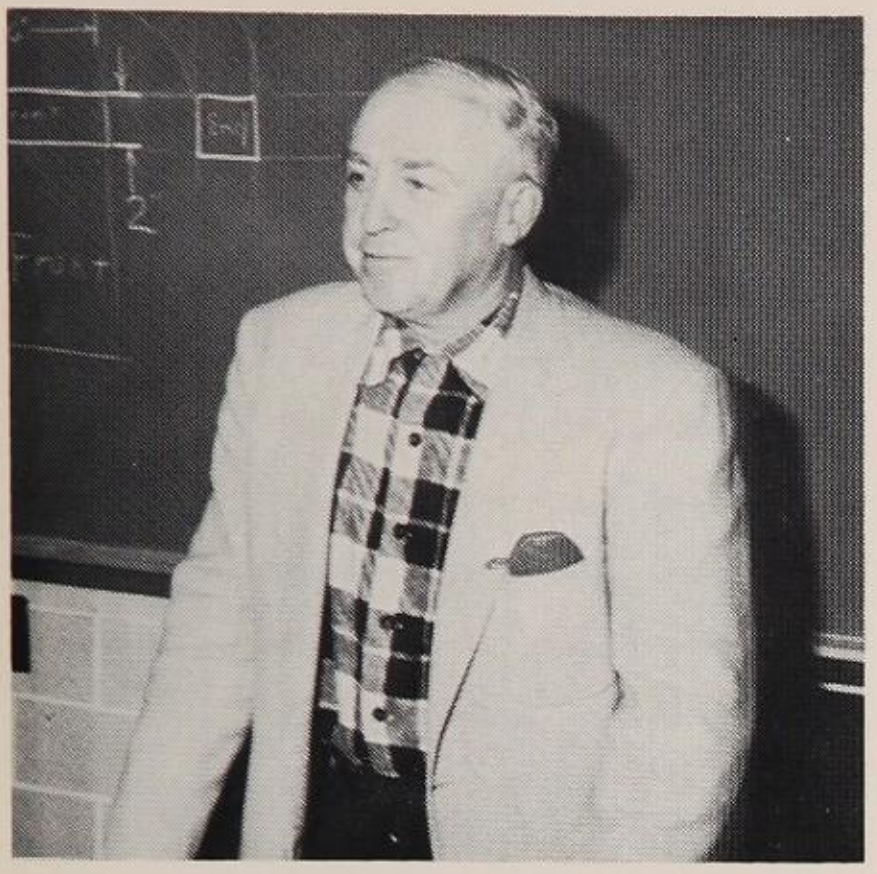
MISS KATHLEEN BOLAND

The other half of the commercial department is under the capable supervision of Miss Boland. This year she taught senior basic business, commercial law, and bookkeeping I and II. She also sponsored the National Honor Society.

MR. EDWIN EBERLY

A new face was added to the coaching staff this year when Mr. Eberly stepped in as assistant football coach and reserve basketball mentor. He also became the new mathematics teacher as well as the Junior Class sponsor.





MR. WILBUR ERWIN

Mr. Erwin, as head of the driver training program, has successfull instructed many students in becoming competent drivers. He also once again occupies the position of school treasurer, which he filled very well.

MISS JOYCE FAST

Certainly a busy worker in our school system is Miss Fast. Her duties this year included: teaching sophomore English and girls' physical education, sponsoring the Pep Club, G. A. A., and Girls' "O," supervising intramurals, and being advisor for the cheerleaders.

MR. LAVERN FLETCHER

The vocational education department of O. H. S. has been very successful in carrying out its work. This has been due to the combined co-operation of the members participating in this program, and of their competent instructor, Mr. Fletcher.

MR. JACK GRAHAM

A member of the coaching staff worthy of praise is Mr. Graham, who leads the way for many fine basketball teams. Besides coaching basketball this year, he taught boys' physical education, health education, and social relations, and he also sponsored Boys' "O."

MISS HRATCHOUHI GEORGE

This year our school system has once again been privileged to have Miss George as its Dean of Women. Her busy schedule included teaching French and Senior Social Studies, besides contributing much time and effort to the F. T. A. organization. She also was Senior Class sponsor.

MISS MARGARET HAMILTON

Teaching Latin I and II and freshman English again this year was our beloved Miss Hamilton. Her Latin Club did many fine things for the school this year. Foremost among these was the purchase of several copies of the Bible for use in the school library.

MR. HOWARD LORSON

Chemistry, Physics and General Science . . . three interesting subjects taught by an equally interesting man, Mr. Lorson. Besides being a teacher, he led the freshman football team through a successful season and sponsored the Radio Club.

MRS. JANICE McFADDEN

Completing her second year in Orrville High School as librarian is Mrs. McFadden. Through her efforts our beautiful library has been efficiently managed. She also taught freshman English and was advisor of the Red Rider.

MR. PAUL MENGERT

The splendid work done this year by Mr. Mengert and the F. F. A. boys has been very rewarding. Last fall, several of the boys, accompanied by their capable sponsor, Mr. Mengert, attended the National F. F. A. convention in Kansas City. Besides sponsoring this active group, he also taught Agriculture I and II this year.

MISS DOROTHY NEFF

Miss Neff has proven herself very capable of heading the speech department. She directed the Thespian and Senior Class plays, taught junior English, and sponsored the Thespian and the National Forensic League.

MRS. BERNADINE SHILLING

A large job well done in the music department this year was due to the efforts of Mrs. Shilling, vocal music instructor. She directed the mixed chorus and girls' glee club who provided us with splendid programs. She also showed her talents in play production by directing the Junior Class play.

MR. WILLIAM SHUNKWILER

Football, baseball and basketball play an important role in Mr. Shunkwiler's life. Even though he was so busy coaching this year, he could be found teaching biology, general science, and history, and sponsoring the Social Board.

MR. RICHARD SNYDER

Being a former student of Orrville High School, Mr. Snyder came back this year as instrumental music director. Through his talents, abilities and work he gave us a band and orchestra of which we can be very proud.

MR. PAUL TUSTIN

A well known face of the Orrville High School faculty is Mr. Tustin, who teaches history. Besides doing this job very capably, he was sponsor of the Sophomore Class and guided them throughout the year.

MRS. SALLY WADE

A newcomer to O. H. S. this year was Mrs. Wade. Her willingness to help others and her friendly disposition won the admiration and respect of all. She taught sophomore and senior English, and sponsored the Y-Teens.

MR. MELVIN WILSON

Every school needs art of some form or another, and we have a fine art department in O. H. S. This year Mr. Wilson added art classes to his teaching duties of industrial arts and mechanical drawing. He also scheduled the year's athletic events and sponsored the Hi-Y.

"Memories" for the Seniors

MISS HRATCHOUHI GEORGE

Being a class sponsor, as most everyone will agree, is not an easy job, but under the wise judgment and leadership of Miss George the seniors enjoyed success in their final year. By being with them from the eighth grade through their senior year, she securely bound the student-teacher ties. Respected and highly regarded by all, Miss George has given the senior many fond memories to carry with them always.

MR. FLETCHER, MISS GEORGE AND MRS. WADE

Ever Onward

The seniors of Orrville High began their last milestone of school life together on September 5, 1956. Although the students had worked hard through their grade school days, they began working as a unit when they became freshmen under the excellent guidance of their sponsor, Miss George.

As sophomores they chose their class rings and when they became juniors, they planned and held a beautiful prom and banquet, "Underwater Fantasy." As seniors they worked eagerly in order to make their last year a rewarding experience.

During the year the seniors displayed their dramatic ability when they presented the Senior Class play, "The Birds and the Boys." A fun-packed evening was had by all at the senior box social. During the annual senior assembly they presented their class picture and class goft to the school. Then on May 31, eighty-three members of the senior class of 1957 graduated from Orrville High School and thus became alumni of their dear alma mater.

Junior Prom Provides Fun and Headaches

Every year seems to be a busy one for any class, but none more so than the Junior year, and this year's class is no exception. They could be seen, but more likely heard, selling their concessions at football and basketball games and at their stand after school.

But their efforts were not all in vain, for on May 10 their ambitions, hopes and dreams were magnificently fulfilled in one glorious evening at the Junior-Senior Prom.

They also found time to sponsor a dance after Homecoming and also one during basketball season.

Officers were: Pat Kropf, president; Jerry Maston, vice-president; Judy Shultzman, secretary; Joyce Laibe, treasurer, and Mr. Eberly, sponsor.

Sophomores' Greatest Thrill . Class Rings

The Sophomore Class had a busy year and many important decisions had to be made. One of the most important jobs was the choosing of their class rangs which they proudly wore. This year was the first time that the sophomores were permitted to have a representative on the Junior Prom committee. The purpose was to help the class in making arrangements for the Prom next year when that would be their responsibility. The class selected Bill Merriman to fill this position. For the Christmas assembly, the class prepared and put on a very clever skit A dance after the Wooster basketball game was sponsored by the class in order to raise money for their treasury. Our Younger Set: The Freshmen

Move over and make room for here we are, the 1956-57 Freshman Class, and a big one, in fact the largest one yet to enter Orrville High. Everything new; a new school, new experiences, new teachers, new friends, new courses of study. Thus the freshmen entered the senior high school determined to accomplish the goal they had set for themselves for the next four years in school. They have studied hard and as a result many of their names have appeared on the honor roll.

Officers elected were: Becky Blatter, president; Alan Auble, vice-president; Jim Beattie, secretary-treasurer.

MOST VALUABLE PLAYERS

By the votes of their teammates, Jim Arnold and Paul Douglas were honored for their excellent, steady efforts on the gridiron as they were chosen as the two most valuable players. Arnold was the mainstay of the offensive unit at left half, dodging his way to fifteen TDs, tops in the district. Paul earned his fourth varsity letter in a guard slot on offense, and as defensive captain as linebacker, he was the most valuable defensive player.

Ten seniors carried the Red and White banner through the past grid campaign, including one four-year and one three-year letterman, Bob Fletcher and Paul Douglas. Co-Captains Ronnie Walko and Douglas, a pair of scrappy, quick-thinking guards, were most often the ones to break classmates Jim Arnold and Bill Shonk loose for fifteen and six touchdowns, respectively. These boys rebounded from a mediocre junior season to turn in an excellent final season as they provided the power which made the Riders' slow, grinding offense click. The seniors deserve a terrific amount of credit and are a group of which we can be sincerely proud.

The Red Rider football team, putting together a modest four-game winning streak in mid-season, closed out a successful season with a fine 5-4 mark.

It has been said time and time again that all this team lacked to have been a great one was speed. It was a heavy and experienced squad, with eleven letter winners returning, and a line average of 175 pounds, but three of the Riders' defeats can be traced directly to their slowness afoot.

With fourteen underclassmen earning their varsity "O" last fall, the future looks bright. Remember, as it was this past school term, it's nice to win, but keep up the good sportsmanship.

Orrville 6, Carrollton 13

Confident that the Riders would soon become their eighteenth consecutive victim, the Warriors invaded the "Applebutter Bowl" on a comfortable September evening for the season's opener. However, the Chief's boys had different ideas! When the final gun sounded, the visitors considered themselves lucky after being pushed all over the field by the surprising local gridders, to escape with a 13 to 6 win.

Orrville 20, Jackson 19

The Riders, by upsetting the visiting Polar Bears, won their initial game of the season by three first half scores. Mizer passed for two of the touchdowns, one 27 yards to Knight early in the first stanza and the other a 26 yarder to Starn. Arnold tallied the final TD late in the second quarter on a brilliant 55 yard run down the left sideline. Jackson scored quickly in the second half to close the gap at 20-19, but then the Rider defensive unit courageously dug in to preserve the victory. Two placements by Fletcher were the difference.

Orrville 13, Wadsworth 25

Mistakes cost Orrville its second defeat, which was administered by the Wadsworth Grizzlies. As in the opening loss, the Riders completely outplayed their visitors, only to lose when they were unable to cash in on the breaks. The Grizzlies, meanwhile, turned two Rider fumbles into quick touchdowns. Shonk and Arnold hit pay dirt in the first half for Orrville's only scores. Fletcher converted after Arnold's tally.

Orrville 49, Rittman 0

With everybody getting into the act, the Riders welcomed a breather after three tough games, as they romped over the Indians. The reserve team played the entire second half after Orrville led, 19 to 0, at the half. Arnold had a big night, crossing the goal line four times.

Orrville 32, Uhrichsville 2

The locals coasted to their third win when they downed the hapless Tigers. The offensive unit didn't look sharp, but the alert defense limited the visitors to only ten net yards. Touchdowns were scored by Sprunger, Clem Williams, Shonk, Mizer and Arnold. The Tigers' only score of the game came when Sam Dalessandro was trapped behind the goal line.

Orrville 44, Middlebranch 0

A large homecoming crowd was on hand as the Riders had little difficulty in annexing their fourth victory, routing Middlebranch, 44 to 0. Jim Arnold once again was the big gun for Orrville, scoring three times, while Lacy and Bill Ray each hit pay dirt twice. Walko booted two points-after-touchdown.

Orrville 34, Loudonville 12

After leading only 13 to 6 at the half, Orrville, with a fine second half performance, gathered its forces to stop the Red Birds. The Riders had a much easier time in subduing the Cards when their little speedster, Mike Bash, was ejected from the game in the third period. It was Orrville's fourth straight triumph and fifth in seven outings.

Orrville 20, Mansfield Madison 46

The Red Riders locked heads with underrated Madison and came out on the short end of a 46 to 20 count. The Rams broke the game wide open, posting a 34 to 13 halftime margin, after Arnold had raced 27 yards to paydirt on the opening play from scrimmage. The winners simply outran our boys. Arnold

scored once more after his early TD, while C. Williams crossed the goal line once. Fletcher kicked the final extra points of the season.

Orrville 6, Wooster 20

A successful grid campaign came to a disappointing close when the Riders went down in defeat at the hands of Wooster. The Riders had the desire to win, but were caught napping twice, and the Generals' Rog Pinnicks scored on long runs both times: the first after grabbing a pass and the other being a punt return. Arnold scored early in the first period, the only Orrville TD on a one-yard dive.

FOOTBALL MANAGERS—K. Gayor, J. Bradley, M. Simms, D. Scott

What's Behind It All

In every smooth-running machine, there must be someone to do the small and "undesirable" work. In football, these boys are called managers. This past season the job was done very efficiently by an experienced, hard-working corps. In his third year as manager, Marlin Simms assumed the responsibility as head man, while Danny Scott, Karroll Gayer and Teddy Randles each completed their second year. A newcomer to the foursome was James Bradley.

Many people have referred to all football coaches as "heartless brutes" and "slave drivers." Head slaver driver at O. H. S. for the second year was Mr. William Shunkwiler. Mr. Howard Lorson and Mr. Edwin Eberly were aides. Those "mean men" do have hearts; don't let anybody try to tell you differently. They worked tirelessly from the first of August to early November to mold a group of boys into men.

MOST VALUABLE PLAYER

Bobby Knight was chosen as the most valuable player of the hardwood by the combined vote of his teachers, teammates, and coach. Certainly no other boy could have been more deserving of the award than Big Bobby. Out almost half the season because of injury, the Red Riders quickly found how important a cog Knight was. He was also named to a first team birth on the CBL all-star team.

Our Pacemakers

The Red Rider varsity scrapped its way through an eighteen game schedule, including post-season tournaments, as Mr. Jack Graham completed his fifth year at the helm.

A heart-breaking loss to Smithville in mid-season marked the beginning of a disastrous second half campaign, which saw Orrville suffer nine disappointments in its final ten contests. The season's record was five wins and thirteen defeats.

The resrve team did not own a very impressive record, winning only three games under the able leadership of Mr. Eberly. But in most games, the reserves played much older and more experienced foes. The reserves, both on and off the court, were very fine representatives of our school.

Mr. Shunkwiler's frosh improved on the record of last years' freshmen aggregation, as they were victorious four times in eleven outings. They have the makings for a potent reserve team as sophs next season.

Orrville 76, Middlebranch 75

After leading by as much as 25 points, Orrville faded badly in the second half in its opener at Middlebranch. They managed a third straight opening win on Norm Douglas' free throw with about two minutes left, which broke a 75-75 tie.

Orrville 42, Central Catholic 50

A poor third quarter spelled defeat number one, as the locals were outscored, 16 to 8. The visitors from Canton knotted the count at intermission, although Orrville had held a four point first period margin.

Orrville 73, Northwestern 89

A terrific second period scoring blitz enabled the Huskies to romp to a hard-earned victory. Shoddy Rider ball-handling marred Orrville's finest shooting of the season.

Orrville 33, Wooster 51

The Red Riders being held to only two fielders, never recovered from a frigid first half. Shooting was off and Knight, guarded very closely by Wooster's Tom Huff, was checked for his lowest number of fielders, four, of the season.

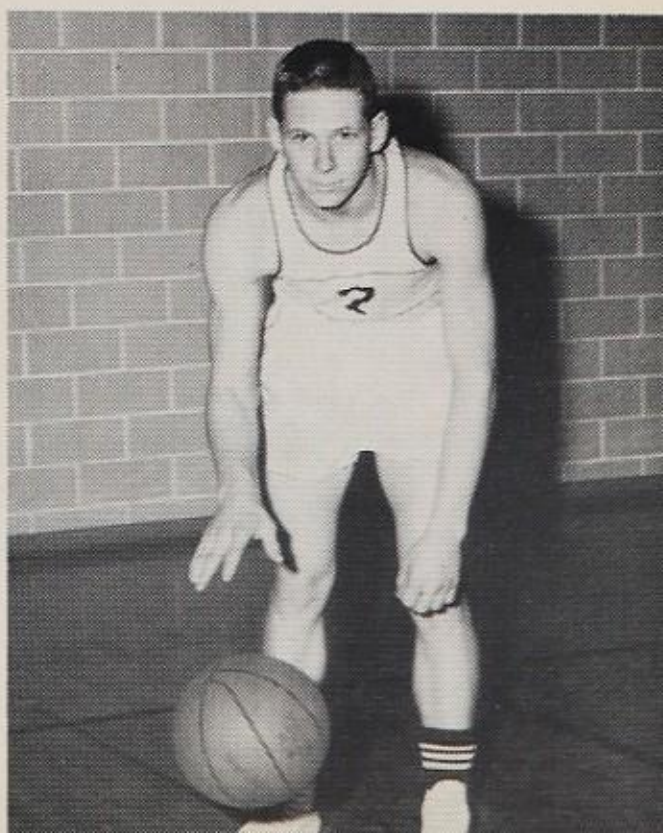
RONNIE WALKO



Orrville 59, North Canton 38

Orrville came back strong in the second half behind Knight's 22 points to trounce the visiting Vikings. The locals shot adequately from the floor and excellently at the foul line. Knight scored 26, Finsel 12, and Mizer 11.

Orrville 59, Rittman 57

This game, played at Indian Town, was the closest of the season as it took two overtimes before Knight's jumpshot stunned the Indians in sudden-death. The Riders, missing only seven of twenty-two attempts, pulled it out at the foul stripe. The Indians held a 25-22 field goal edge.

Orrville 59, Waynedale 74

Fifty-nine points had been enough for victory in the Riders' two previous outings, but the Bears hit for fantastic percentages to hand the locals their fourth defeat against three wins.

Orrville 78, Millersburg 42

This was perhaps Orrville's finest team effort, as for the first time, Knight had some scoring support. Five Riders hit in double figures, while only one Spartan managed to turn the trick. The determining factor was a huge thirty point Orrville bulge from the field.

Orrville 57, Smithville 59

An excellent Orrville performance was equalized, as Ron Birkbeck came back to haunt the Red Riders with 18 big points. It was Orrville's best showing away from home, but the Smithies' jinx prevailed.

Orrville 47, Loudonville 59

For Orrville fans, the Riders' first CBL loss was a nightmare. The locals' only good quarter was the second, in which they outscored the champs-to-be, 13-10. Strength off the boards was the difference. Knight and Shonk scored 12 apiece while Mizer scored 9.

Orrville 42, Norwayne 68

Orrville held its much taller visitors to a 10-10 first period deadlock, but the Bobcats broke loose in the second period and went on to a decisive victory. Scorers were Mizer 14, Starn and Shonk 10 each.

Orrville 53, Uhrichsville 49

With Starn playing the hero's role, the Riders won their fifth and last game. Starn's crucial free throws which raised his total to 18, completely wrecked the Tigers in the final three minutes. In addition to Starn's 18, Mizer and Shonk each tallied 11.

RESERVE BASKETBALL—*First Row*—Hannie, Williams, Don, Williams, Seifried. *Second Row*—Lehman, Sprunger, Burkholder, VanDyne, Royer.

Orrville 61, Rittman 81

A number of factors, the main one being the Indians' ability to stop inside shooting, toppled the Red Riders. Orrville was very weak around the boards. Paul Douglas paced Orrville scoring with 19, while Starn made 15 and Fletcher 10.

Orrville 43, Wooster 70

The Generals romped to victory in their first game in Wooster High's new gym. The Riders were never in the game, as they trailed at all three intermissions, 19-7, 37-17, and 50-30. Paul Douglas scored 12 markers and Shonk 10.

Orrville 42, Millersburg 55

The game, played on the winner's court, was a complete reversal of the two teams' earlier engagement. Behind a pair of brilliant freshmen stars, the Spartans served warning that they will be the team to beat in the years to come by thoroughly trouncing the locals.

Orrville 19, Loudonville 35

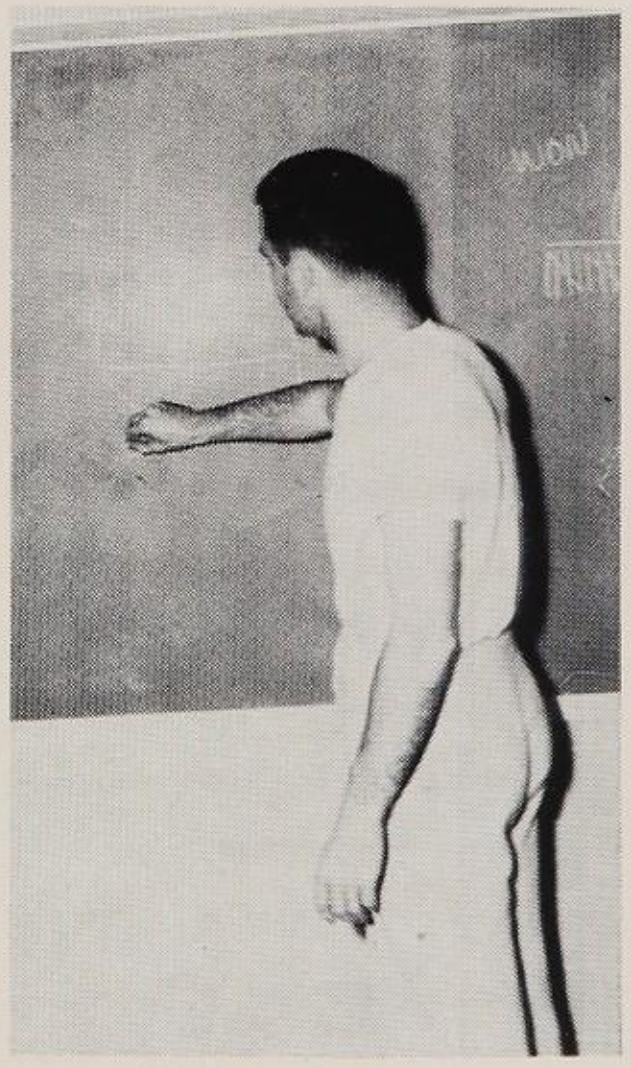
The Cards finished their league slate undefeated by stopping the locals in the second half, as no Rider points were chalked up in the final fifteen and one-half minutes. Orrville had held a three point margin at the half. Starn,7; Shonk, 6.

Orrville 32, Waynedale 73

The Riders suffered their worst defeat in the final at Waynedale. The under-rated Bears were in command the whole way. Orrville's meager offense was led by Bob Lacy's 7 markers.

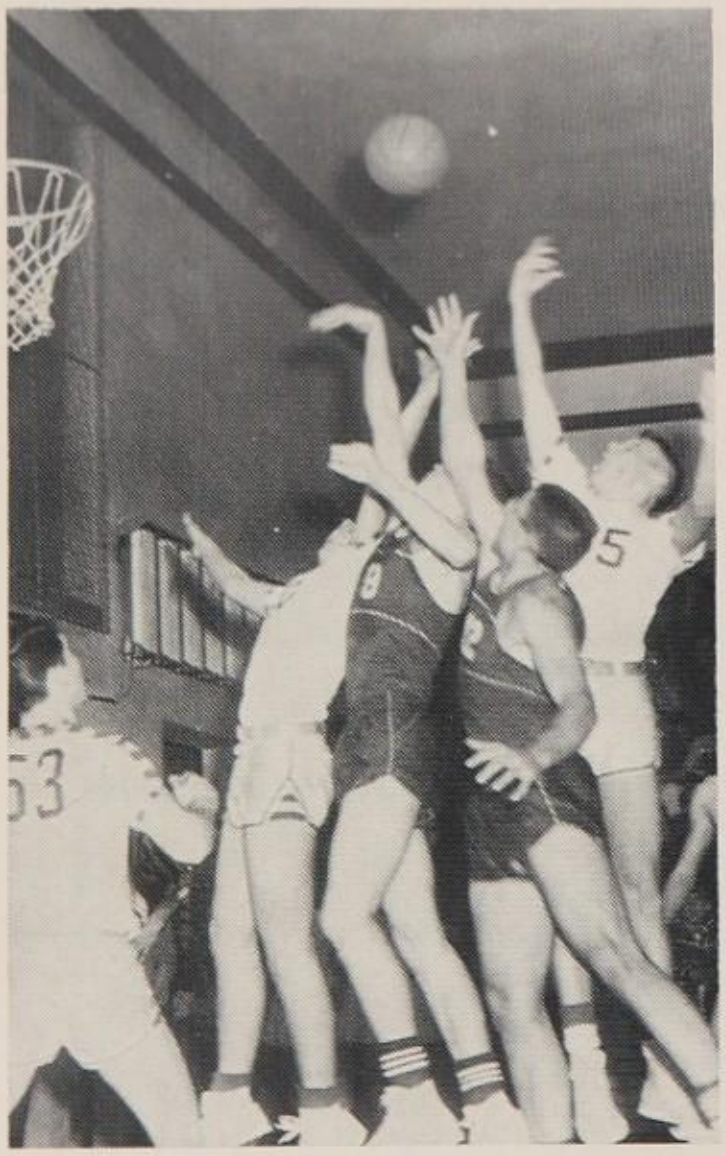
Orrville 50, Massillon 81

The locals were outplayed and outclassed, but certainly were not outscrapped in the sectional tournament at the Canton Field House. Knight returned to action to lead the Riders with 14 points, but Bobby, being slowed considerably, wasn't the Knight of old. Starn added 10 points.

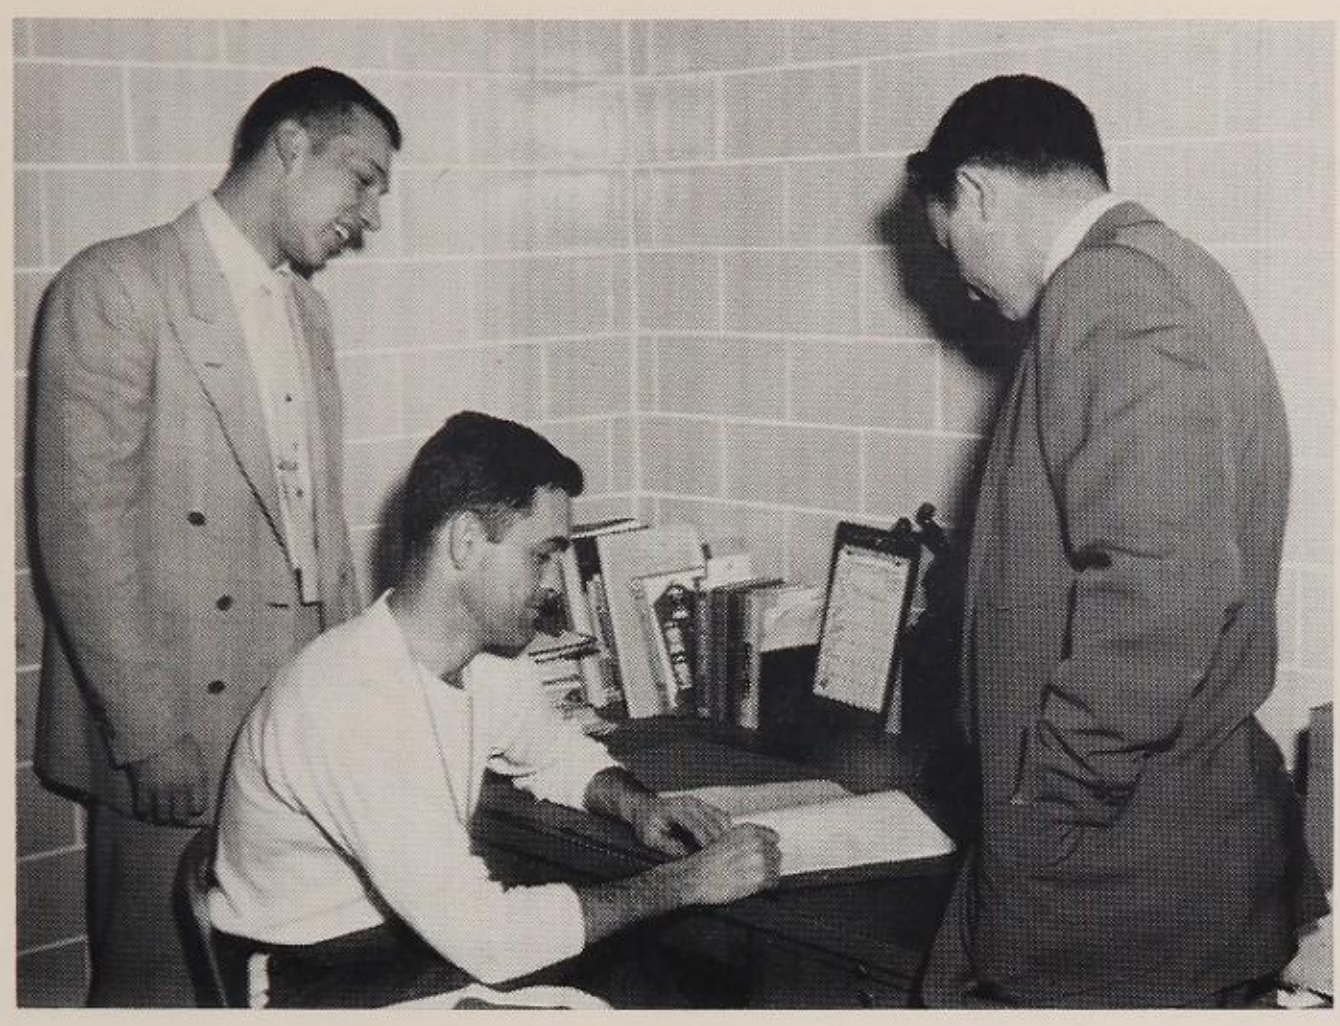


COACH GRAHAM

WHAT'S THIS?



JUMP BALL



Mr. Eberly, Mr. Graham, and Mr. Shunkwiler.

What's Behind It All

Mr. Graham completed his fifth year as varsity coach at O. H. S., and is rapidly gaining stature among area cage mentors as an excellent handler of boys. Always a willing counsel to all, Mr. Graham has become a practically irreplaceable fixture here.

Mr. Eberly is a newcomer to the athletic department at the high school, and he certainly got the most from his reserve boys this season. The freshmen "Chiefs" were under the able guidance of Mr. Shunkwiler. Working mainly on fundamentals, he built a squad of real "comers." Varsity and reserve managers this year were Mike Sage, Jerry Stringfellow, and Ben Seckel, while Tim Sage and Kenny Diller handled their fellow freshmen. Needless to say, these boys did a fine job, working hard to keep their respective squads running smoothly.

Sports for the Spring

BASEBALL—

The baseball team, under the coaching of Mr. Shunkwiler, promises to be a very formidable squad. A strong infield is expected to carry them well through a tough, 19 game schedule.

TRACK—

Hardest workers in the springtime sports is probably Mr. Eberly's track team. There is good overall strength in all events except in the sprints, in which there are no returning letter winners.

GOLF—

The golfers may be the sleepers. Mr. Lorson has a large team, and if underclassmen can take up the slack, the youngest of the spring sports could be the winningest.

To be a member of Boys' "O," a boy must earn a varsity letter in any of the five sports played in the high school. In some sports, the award is based on time played, while in others, he must score a certain amount of points.

The boys helped Mr. Wilson at basketball games, and sponsored two dances during the year. They also have had a special project during the year in contributable a sizeable sum to the library fund.

The organization was sponsored by Mr. Graham, and officers for the past year were: Bobby Lacy, president; Dick Genet, vice-president, and Ronnie Mizer, secretary-treasurer.

Ladies of Letter...

This group consisted of sophomore, junior, and senior girls who represented the girls athletic department of Orrville High School. They had both reserve and varsity teams and played several interscholastic basketball games with schools of this area. They also gave several gym demonstrations at the Junior High School.

The Girls' "O" is an honor group consisting of girls who have earned 1,000 G. A. A. points. Once the girls have earned their points to enter, there is no special number of points required to remain in the club.

This year the Girls' "O" assisted the Boys' "O" in administering the mixed volleyball games played at noon intramurals.

The girls in this club also belong to the Girls' Traveling Team. This team is composed of girls under the direction of Miss Joyce Fast. The girls travel to schools winning a good name for Orrville girls in athletics.

Points, points flying everywhere in mass confusion until all who have earned their numerals, red "O's," white "O's," and bars have finally succeeded in obtaining them.

The G. A. A. consists of girls who have at least earned 500 points in order to join the club, and 100 points for each succeeding year. Most of the girls, however, have earned over this quota, entitling them to wear white "O's" and bars.

Gym-Dandies

The traditional girls Army-Navy basketball game was held in the high school gymnasium on Friday evening, March 29. The two teams composed of high school girls worked very hard practicing during the month of March, but much of the credit went to Miss Fast, who worked very hard to make the game successful.

Again this year Miss Fast appointed ten girls from the junior and senior classes to be gym leaders. They helped her in gym instruction, and under her supervision assisted in the annual "Gym Night" program in April.

Our Governing Students...

Sue Snyder and Sherry DeRhodes were the winners of the second Talent Assembly.

Representing the student body, the Student Council carries into effect the desires and wishes of the students.

During the previous school year, their outstanding activities have been: Conducting sales tax stamp contest to purchase various equipment for the student's enjoyment, producing talent shows in the form of assemblies, and helping to keep the operations of the school running smoothly.

Sponsor of the Student Council this year was Mrs. Baer, and the officers were: Paul Douglas, president; Robert Fletcher, vice-president; Audrey Marthey, secretary; Alfred Lehman, treasurer, and Jerry Brubaker, sergeant-at-arms.

Studies and grades are two very important items in this organization. Its purpose is to create an enthusiasm for scholarship to promote leadership, and to encourage the development of character in the pupils of Orrville High School.

Early in the second semester a candlelight initiation was held in which the sophomores became probationary members and the juniors permanent members.

The society also held an assembly February 13, based on the TV program "I've Got a Secret," which was very enjoyable.

Miss Boland sponsored this organization for her third consecutive year. The officers were Donna Bailey, president; Ronald Herman, vice-president; Barbara Stoltzfus, secretary, and Beth Hostetler, treasurer.

Compilers of the News...

At the beginning of the fall term, the Red Rider staff started on a very ambitious schedule. It is their responsibility to publish the bi-monthly school paper.

In order to qualify for a position on the staff, the student must be interested in journalism and be outstanding in English composition. It is the duty of the staff to make the paper include all school activities, featuring those happenings which are the most interest to the majority.

They have succeeded, under the advisorship of Mrs. McFadden, in making the Red Rider a publication which is anticipated by all.

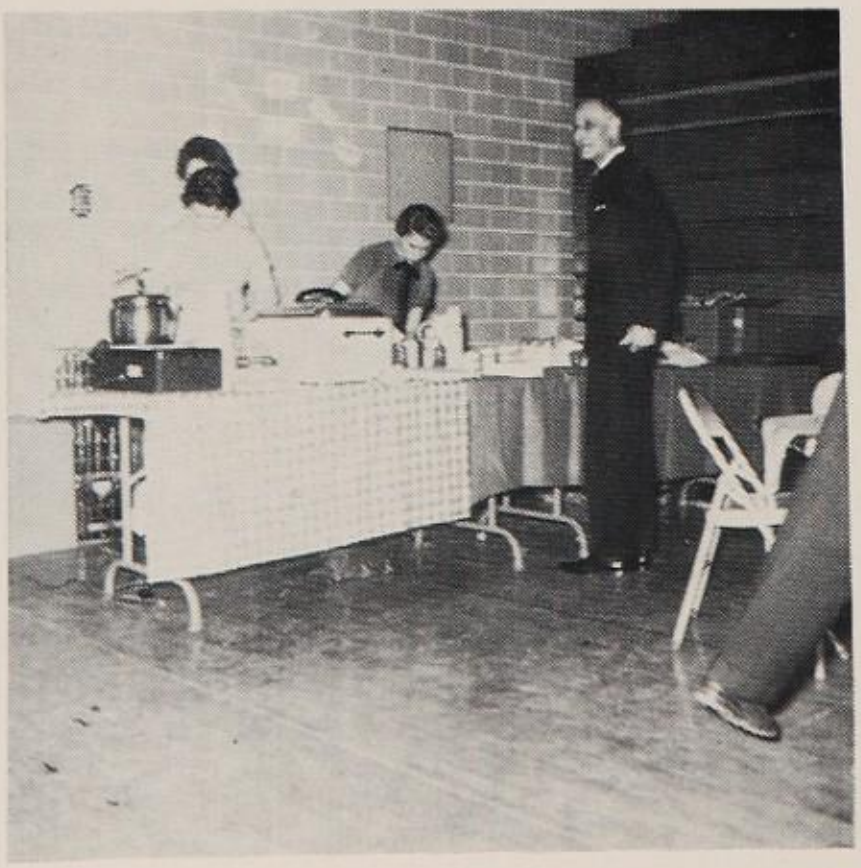
New Horizons Toward the



Y-Teens is a branch of the National Young Women's Christian Association, the Y. W. C. A. Various Y-Teen clubs are in operation in high schools all over the nation.

The purpose of the organization is "To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians."

In this endeavor the Orrville High School Y-Teens Club has been very active this year, under their competent advisor, Mrs. Wade.

The club participated in several financial and social projects during the year.

They sponsored a Sadie Hawkins Sock Hop after a football game; gave a needy family a Christmas with all the fixings; went roller skating with the Hi-Y; had a "Penny Fair"; went to church together, and took charge of the Easter Assembly.

All 120 members lived up to their goal, "To grow as a person, to grow in friendship with people of all races, religions, and nationalities, and to grow in the knowledge and love of God."

Officers this past year were: Janice Hofstetter, president; Marcia Waefler, vice-president; Janet Stuter, secretary, and Ruth Taylor, treasurer.

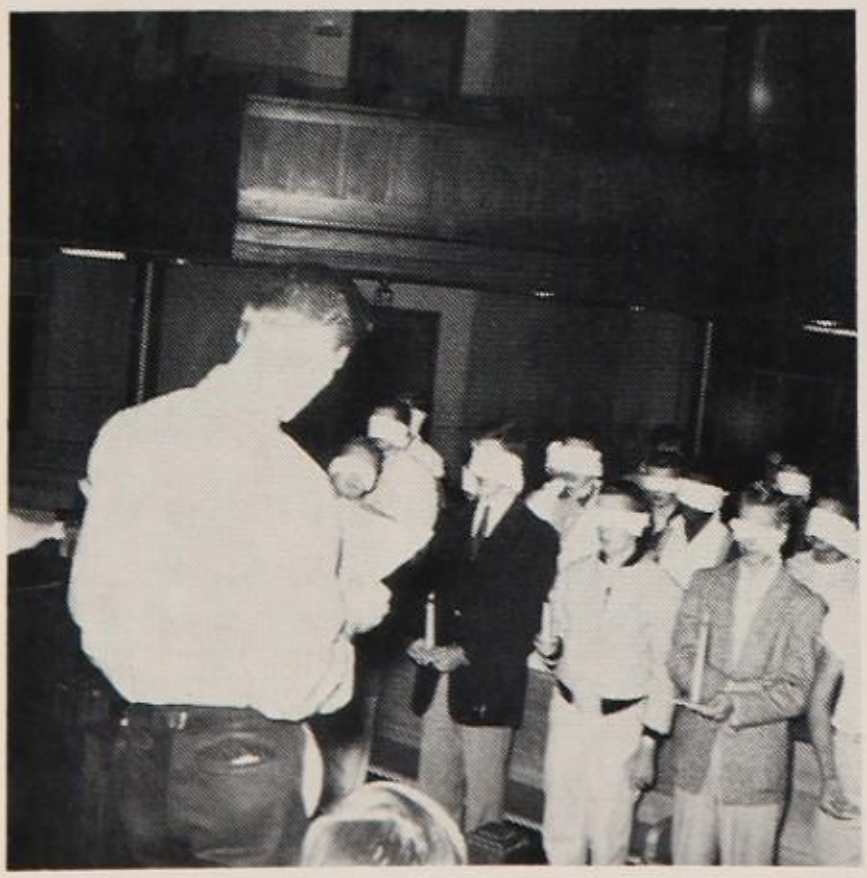
The Strength of Our Future



HI-Y INITIATION

Twenty-three boys were formally initiated into the Hi-Y last fall, raising the total membership to fifty-eight. Under the guidance of Mr. Wilson, the club, whose members must maintain a "C" average scholastically, stresses (1) Civic, (2) Church, and (3) School Duties. Each year, the Hi-Y tries to observe professional and college athletics. They have a basketball squad which usually plays a ten-game schedule. Jointly the Hi-Y and Y-Teens have an annual event. This year the clubs enjoyed two roller skating parties.

Officers this year have been: Harley Habegger, president; Larry Clark, vice-president; Jim Musser, secretary; Roger Moser, treasurer; Don Curie, chaplain; Norm Douglas, sergeant-at-arms.

Dreams Come True With Dances

"Scissors, please," . . . "looks a little sagging over there" . . . "anybody have any scotch tape?" and so with these remarks Mr. Shunkwiler's Social Board in secret preparation, presented the starry-eyed Football Dance and the sprightly soft lighted Spring Dance.

The theme for the Football Dance was Star-Dust and decorations were made of big, blue, sparkling stars, tables and soft lights.

For the Spring Dance, the theme was "April Showers." The setting was beautiful with the raindrops and flowers welcoming a bright new spring.

Officers of the Social Board are: Ronnie Walko, president; Bill Shonk, vice-president; Susan Smucker, secretary, and Kathy Halter, treasurer.

Our Future Homemakers of Tomorrow

With the future in mind, these young women of tomorrow are preparing for their later roles in life as homemakers. The purpose of F. H. A. is to promote a growing appreciation of the joys and satisfaction of homemaking, to encourage democracy in home and community life ,and to promote international good will. This past year has been an exciting one for the members. Along with making favors for the hospital, they sponsored a skating party, and a trip to Cleveland. For two weeks they exchanged classes with the boys taking shop. This proved to be quite an experience.

Incorporating their knowledge of the French language, the club encourages intelligent French conversation in planning, presenting, and conducting meetings and programs. Its members have worked hard during the past school year to keep alive the use of French in modern everyday life.

The Latin Club, intending to better acquaint the second year Latin students with the language and customs of early Rome, have experienced a full and active year.

They have worked industriously to raise money for the J. C. L. convention and for the many useful gifts which they have contributed to our new school, among which are two unabridged Webster's dictionaries. They also commemorated the assassination of Gauis Julius Caesar, and held their annual Roman banquet with the first year Latin students acting as slaves.

Sponsor of the organization was Miss Hamilton, and the officers were: Joan Shultzman, president; Tom Cukr, vice-president; Tim Burkholder, secretary; Nancy Falk, treasurer, and Ronnie Sprunger, sergeant-at-arms.

Behind the scenes, the Stage Crew is kept busy. WOOSTER BONFIRE

The Pep Club this year was a great spirit builder with a few laughs thrown in. The laughs came with the pep rallies of which they had charge. They also conducted other prominent features with their sponsor, Miss Joyce Fast, and her very original ideas guiding them.

Among the different groups the Pep Club was divided into were: Moms' and Dads' Night, Wooster Bonfire, Homecoming Festivities, and the Block "O" which is used at home basketball games to introduce the team.

The Moms' and Dads' Night Committee honored the Moms and Dads of the football players by giving them "front row seats" and jerseys with their sons' numbers on them.

Our Working Set — The V. I. C.

The V. I. C. is an organization which has originated from the Diversified Co-operative Training program offered to the seniors of this school. The purpose of this organization is to aid the students of O. H. S. in selecting a good vocation to pursue after graduation.

This year the club, under the sponsorship of Mr. Fletcher, consisted of thirteen seniors who were distributed among the various industries of Orrville. To aid these students in finding jobs, the club offered a student placement bureau and a vocation library.

The V. I. C. has also been engaged in numerous activities this year. They sponsored a dance after a football game, had an Employer and Employee Banquet, took several field trips, conducted a scrap drive during Clean-Up Week in April, and sold shelled pecans as a money-raising project. They also went to the state-wide V. I. C. Convention in April where they participated in extemporaneous speaking, parliamentary procedure, and the methods of applying for a job.

Through these efforts, its members have gained valuable information that lays a foundation for their respective vocations they shall pursue after graduation.

The officers this year have been: Harley Habegger, president; Bob Bushman, vice-president; Gerry Patton, secretary; Bob Campbell, treasurer; Danny Scott recorder, and Larry Ott, sergeant-at-arms.

Seniors Present "The Birds and the Boys"

A three-act comedy by William F. Davidson is the laugh-loaded "The Birds and the Boys" that the Senior Class tackled for their production this year. The story is centered around Adam, a young architect, and his new bride, Cricket, a loveable and persistent enthusiast.

To create some excitement, there is in the vicinity of the young couple's home, a boys' academy called Youthville. The play ends in an uproar of laughter and fun which is intermixed with neighbors of all ages.

With work and the capable direction of Miss Neff, this production was successful, proving a very enjoyable evening.

This year's Junior Class presented their play, "Little Miss Somebody," under the direction of Mrs. Shilling, on the evenings of February 28 and March 1. Lauri, an orphan girl, is hardly more than a servant in her uncle's house. Tony Mitchell ,who inherited the Stafford fortune, began to appreciate her charm. This doesn't set well with her cousin, Claire and Aunt Harriet, who have plans of their own for Tony. Laurie remains true blue throughout, even though faced with false accusations about her background and of her honesty, and eventually "the little Miss Nobody" becomes a "Little Miss Somebody."

"All the World's A Stage"...

The Thespian members have either memorized seventy or more lines in a play or have done outstanding work on the production staff. Their motto, which they very successfully uphold, is "Act well your part; there all the honor lies."

This club, sponsored by Miss Neff, held their annual initiation and banquet early this spring. They presented the comedy, "You Can't Take It With You," on May 3rd and 4th.

This year Sandy McHenry was president of the Thespian group; Ronnie Herman, vice-president, and Carol McGreevy served as secretary-treasurer.

Speak Your Way to Fame

The National Forensic League is continually striving to improve themselves in public speaking. This year their experiences in practice tournaments at Wooster, Massillon, Wadsworth, and Euclid brought them many honors in the district contests. If a speaker receives high honors in one of the district tourneys, they are qualified for state competition. In the big district contest, Rita Schromen became eligible for participation in the National Tournament at Louisville, Ky. Many of the speech students received high ratings in the state contest.

The League was sponsored by Miss Dorothy Neff. Their officers were: Rita Schromen, president; Carol Dye, vice-president, and Billie Hawks, secretary-treasurer.

Jewels for Our Crown...

This year's homecoming started off with a very effective tapping ceremony where the three juniors and three seniors and our queen, Connie Hulls, were announced. The annual event was set for October 19, after our triumph over Middlebranch. That night, strains of "Here She Comes, Miss America," our lovely queen and her court approached the field in shiny new 1956 convertibles.

Leading our band this year, in their new uniforms, were the six majorettes. Practicing long and hard, they arranged their own routines in accordance with the shows prepared by their leader, Mr. Richard Snyder. One of their specialties was fire twirling. Besides performing for football games, they also performed for basketball games and other functions.

Left to Right—Kathy Handwerk, Connie Zeigler, Mary Lynn Roberts, Diane Huston, Georgia Jones, Judie Kurtz, Head Majorette.

Left to Right—Myra Jo Prechtel, Jackie Daniels, Pat Kropf, Monetta Miller.

Our Peppy Sparks!...

Vim, vigor, and vitality are three appropriate words to describe the characteristics of our cheerleaders. Both the varsity and reserve squads worked equally hard practicing, planning pep rallies, and doing all the other necessary things that went into making our cheerleaders some of the finest to be found. The varsity girls, accompanied by their sponsor, Miss Fast, attended the cheerleading clinic at Ohio State University where they learned many things of benefit to them.

Left to Right—B. Lacy, S. DeRhodes, S. McKee, M. Reusser, B. Blatter.

"It's Almost Paradise"

Popularizing the song "It's Almost Paradise" this year's Junior Class entertained the Seniors with their prom "Almost Paradise" on May 10. The gym was beautifully decorated with pastel colore darches which provided a ceiling by giving a dome effect. The remainder of it was covered with brick walls which served as a patio and were surrounded by a colorful assortment of spring flowers. Charlie Pickens and his orchestra added to the romantic atmosphere with their music.

Girls have to be a Jack of All Trades these days and boys must be handy with a can opener.
